

# The Greater Horseshoe School

**The Greater Horseshoe School provides a safe educational environment for young people aged 8 to 18 with autism, social, emotional & behavioural difficulties and special educational needs. The school supports young people to develop and increase their independence by providing the highest quality of education, enrichment and progression.**

## **About the School**

The Greater Horseshoe School is situated in an attractive location on the edge of Dartmoor National Park. Chipley Farm an annex of the school is situated 6 miles away in a rural area. The School is close to Bovey Tracey, Newton Abbot and is easily accessible to surrounding areas with road links.

The School and farm is staffed with a highly skilled and qualified team of professionals and resourced to offer a wide range of educational, medical and therapeutic resources for children and young adults. Staff are trained in both diffusion and breakaway techniques.

## **School Accommodation**

The school is a one storey, bright, spacious, newly refurbished building designed to provide the best possible facilities including office accommodation and a range of classrooms designed and modified to meet the requirements of pupils who have complex needs.

There are individual workstations available throughout the school and farm which are designed for the physical and learning needs of the pupils. There is also a wide range of computers and assistive devices to enable the pupils to maximise their access to the National Curriculum. Special facilities include use of a Sensory/Therapy Room, Design and Technology Room, Food Technology, Art/Craft Room and Yurt.

All our courses are accredited by the national award schemes of AQA, ASDAN, BTEC and more.

A 24 hour curriculum is also offered and we are always happy to work together with parents and residential services.
