Please note that the school did not receive any pupil premium in 2023/24 academic year.

1. Overview:

The Pupil Premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

It is paid to schools according to the number of pupils who have been:

- Registered as eligible for free school meals at any point in the last 6 years
- Been in care for 6 months or longer
- One of their parents is serving in the regular armed forces
- One of their parents served in the regular armed forces in the last 3 years
- One of their parents died while serving in the armed forces and the pupil is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)

2. Objectives for use of pupil premium in the Greater Horseshoe School:

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.

- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.

- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.

- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives. The Greater Horseshoe School has produced its policy on Pupil Premium and will provide annual updates.
